

**UNITED STATES BANKRUPTCY COURT FOR THE MIDDLE DISTRICT  
OF NORTH CAROLINA**

**IN THE MATTER OF:**

Randolph Hospital, Inc.  
Debtor

Case No: B-20-10247

**NOTICE OF OPPORTUNITY TO SERVE ON CREDITORS COMMITTEE**

Section 1102 of the Bankruptcy Code under Chapter 11 Reorganization requires the Court, as soon as practical, to appoint a committee of creditors holding unsecured claims. Such a committee provides a means for the unsecured creditors to be represented and have a voice during a Chapter 11 case and to have input regarding the kind of treatment that is provided for the unsecured creditors in the plan of reorganization in the case.

**The Bankruptcy Code expressly provides that the Unsecured Creditors Committee may employ a lawyer to represent and advise the Committee at the expense of the bankruptcy estate, not the individual members of the Committee. Service on a Committee is neither unduly burdensome nor time consuming. The Committee's lawyer can handle representation of the Committee at most court hearings without the necessity for individual committee members to be present. Meetings of the Committee frequently are conducted by telephonic means without the Committee members having to travel. To the extent that Committee members are called upon to attend hearings or meetings of the Committee, the Bankruptcy Code provides for the Committee members to be reimbursed for reasonable expenses incurred in attending hearings or Committee meetings.**

The committee ordinarily consists of at least three persons who are willing to serve. The committee may be limited to seven persons/entities responding who hold the largest claims. The twenty largest claims according to the information in this case are as follows:
